- ✓ LAMS Approved
- ✓ Perfect Commuter

## Total Cost \$

The Zoot Suburban is the nimble, smooth-operating big brother of the Zoot family. Perfect for those who have a longer commute. With a 16" front wheel, 14" rear wheel no gears to worry about and long wheelbase this scooter offers greater comfort and a more stable ride.

The Suburbans' 125cc four stroke engine is quiet, very economical and offers more power, especially when mixing it with the 80kph traffic.

Capable of easily carrying two people with under seat storage, halogen headlight, LED taillight, front and rear disc brakes this is the perfect Scooter if you have a longer commute.

Arrive at work with a smile on your face, just start your scooter twist & go.
