The Zoot Milan is an all new Scooter loaded with features. The Milan is a perfect mix of style and power, courtesy of the 150cc four-stroke motor. An extra 10kg makes the Milan smoother to ride, whilst the four-stroke engine makes it quieter with enough power to exceed 80km/h.

With the added convenience of a lockable glove box, under seat helmet storage, comfortable seat position, and a simple, easy to read dash, the Milan is a great choice for those looking for style, power and reliability.
